Parking and Access

There are two tall old buildings on the High Street on opposite sides of the road. The Priory is on the opposite side of the road to Waterend Lane, and has the bus stops outside of it. Access to The Priory is at the rear. Look for the Redbourn Business Systems sign on the wall to the right of a black iron gate. Go through the gate, bear right to the rear of the building, and you will come to a door marked The Priory, with another Redbourn Business Systems sign. Go through that door to our reception on the first floor.

Limited visitor parking is available if booked in advance on 01582 794229. Access is via "Monks Close, AL3 7NR". Bear left at the flats at the end of Monks Close to access our marked visitor spaces. Otherwise, most of the parking space on our side of the High Street is short-term. If in doubt, park in the short-term area and we will help you find somewhere you can park for the day. There is free parking either in a car park in Hawkes Drive which is off Lamb Lane or in Monks Close which is off the Common.

From the Car Park in Hawkes Drive you can walk through a gate in the wall on the right hand side. This takes you through a pleasant garden to the High Street where you turn right and walk down the street a short distance to the The Priory (front).

From Monks Close continue to walk down Monks Close into a car park. At the end of the garages turn left and continue walking until you come to a brown door marked The Priory (rear) with our sign.
